What are Snow Routes?

Our buses will provide limited transportation when snow and/or icy roads result in hazardous conditions. Bus schedule timing is less predictable in snowy weather, students should plan on getting to their stops a few minutes early. Please be patient with our buses. Inclement weather can cause delays with the exact time of the bus arriving. We do our best to arrive as close to the scheduled time as we can.

Once Snow Routes Are Announced for The Day, They Will Be in Effect for The Entire Day, Even If Road Conditions Improve.
